REASONS FOR ALLOWANCE

1. The After Final Amendment filed April 27, 2005 has been received and has been entered. Claims 2 and 15 have been cancelled. Applicant's amendments to claims 1, 4, 6, 12, 16, 18, 25, 34, 39 and 49 is acknowledged. The pending claims are 1, 3-6, 8-14 and 16-64.

2. Claim 1, 3-6, 8-14, 16-48 and 60-64 are directed to an allowable product.

Pursuant to the procedures set forth in the Official Gazette notice dated March 26, 1996 (1184 O.G. 86), claim 49-59, directed to the process of making or using the patentable product, previously withdrawn from consideration as a result of a restriction requirement, are now subject to being rejoined. Claim 49-59 are hereby rejoined and fully examined for patentability under 37 CFR 1.104.

Since all claims previously withdrawn from consideration under 37 CFR 1.142 have been rejoined, the restriction requirement made in the Office action mailed on October 29, 2003 is hereby withdrawn.

3. The following is an examiner's statement of reasons for allowance: All claims except 15 had been rejected in the previous Office Action's. The limitations presented in claim 15 were found to be novel and unobvious over the prior art. By Applicant's incorporation of the limitations presented in claim 15 into the independent base claim 1 (and the subsequent cancellation for claim 15), subsequently made all of the claims novel and unobvious over the prior art. The allowed claims are 1, 3-6, 8-14 and 16-64.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

Page 3

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Suzanne M. Mayer, Ph.D. whose telephone number is 571-272-2924. The examiner can normally be reached on Monday to Friday, 8.30am to 5.00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jon Weber can be reached on 571-272-0925. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
